# Dear Valued Guest

In August, visitors to Malaysia will see the city in its full splendour as we proudly fly the national flag in celebration with our 50th Year of Independence on 31st August. The theme for this year's celebration is "Malaysiaku Gemilang" or "My Glorious Malaysia". Though we are a young nation, our national leaders have steered us from a third-world, tradition-rich, mining industry, to become globally competitive in this modern millennium. For the Muhibah Malaysians, it will not be a complete birthday bash at the Seri Melayu group of restaurants without a fabulous buffet spread, featuring a grand selection of up to 100 different cuisines from various corners of the world.

From September, our Muslim friends will be preparing for a month-long fast. While this act of worship is essentially time for personal spiritual reflection, it is also an opportunity for many to build closer ties with loved ones, family and friends while they break fast together. At Restoran Seri Melayu, Restoran Berputar Seri Angkasa di Menara KL Tower, and Restoran Berputar Seri Angkasa di Menara Alor Star, our chefs have crafted a menu that comprises your favourite local dishes, and the restaurants will be decorated to bring out the traditional "kampong" or village right at the heart of the city.

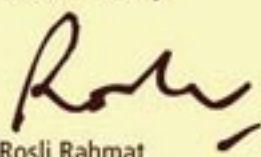

We are also pleased to be part of the Visit Malaysia Year 2007 campaign. All year round, visitors to our country will get to savour world class intercontinental cuisine at our restaurants.

Happy Birthday Malaysia, we are proud to be able to call this country home. Here's to many more 50 thriving years; and Selamat Berpuasa to all our Muslim friends.

For whatever occasion, Seri Melayu group of restaurants are the place to satiate every palate.

Cheers!

Yours Sincerely,

Rosli Rahmat  
Managing Director
